

OPTIMIZE TRAINING MANAGEMENT AND RESOURCE SCHEDULING

LMS Planner seamlessly integrates with SAP® SuccessFactors® LMS to provide an intuitive and robust planning tool for corporate training and resources scheduling to increase the efficiency of the training management process.

Multiple people benefit from LMS Planner

Planners and Schedulers

- Plan training schedules and allocate resources across the organization
- Create course offerings with direct integration to SAP SuccessFactors LMS
- Enter key details often not captured in learning tools such as door codes, building hours, and catering details

Training Managers

- Locate all team members in a single view
- View not only scheduled courses but also the times where subordinates are on vacation, on travel time, or in training
- Toggle between weekly or monthly views to better evaluate and plan for the team

Trainer

- View training schedule and meaningful information including courses to teach, training rooms, and associated equipment
- Coordinate with schedulers to optimize usage
- Plan their own schedules for personal time off or educational needs

LMS Planner provides organizations with:

Global visibility

Locate capable and available resources with a holistic view of training information

Optimization of complex scheduling

Pinpoint qualified and available resources and simulate the scheduling of course offerings

Long term planning

Provide long term planning requirements for schedulers based on new demands and historical data

Key features and benefits

Intuitive and flexible calendar providing clear, color-coded visibility by day, week, and month

Quickly identify training gaps or over-capacity with dynamic filtering

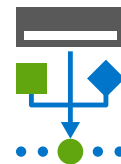

Real-time integration with SAP SuccessFactors LMS to view and update offering details

Pre-plan sessions, offerings, and blocks of time prior to launch in LMS

Plan future training needs based on historical schedules and attendance

Optimize schedule offerings by performing "what-if" scenarios

Available on the
SAP App Center
